12. General terms

(a) Changes to the Service

Our Service is novel and will change. We may sometimes add or remove features, increase or decrease capacity limits, offer a new Service, or stop offering a certain Service.

Unless we specifically agree otherwise in a separate agreement with you, we reserve the right to modify, suspend, or discontinue the Service or your access to the Service, in whole or in part, at any time without notice to you, to the extent permitted by applicable laws. We will not be liable for any change to or any suspension or discontinuation of the Service or your access to them.

(b) Changes to these Terms

We may revise and update these Terms at our discretion, to the extent permitted by applicable laws. We will give you prior notice or post-notice if required by applicable laws; otherwise, we may revise and update these Terms without any notice. If you continue to access the Service after receiving notice or after we post the updated Terms on Giselle's website, you are deemed to agree to the updated Terms.

(c) Supplemental terms

We may offer the Service or features that we believe require service-specific terms or guidelines. When using the Service, you agree to comply with any applicable guidelines, rules, or supplemental terms that may be posted on the Service from time-to-time (the "Supplemental Terms"). If these Terms conflict with the Supplemental Terms, the Supplemental Terms shall prevail over these Terms.

(d) Entire agreement

These Terms and any other terms expressly incorporated by reference form the entire agreement between you and us regarding the subject matter of these Terms.

(e) Termination

We may suspend or terminate your access to the Service at any time without notice if we believe you have breached these Terms, or if required to comply with the law. If your account is inactive for over a year and you do not have a paid account, we may terminate your account after providing notice.

Upon termination of these Terms, a subscription, or your access to the Service, we may at our option delete any materials or other data associated with your account.

(f) Severability

If a specific term or a portion of these Term is deemed invalid or unenforceable under applicable laws, this shall not affect the validity or enforceability of the remaining Term.

(g) No waiver

Any delay or failure on our part to enforce a provision of these Terms is not a waiver of our right to enforce them later.

(h) No assignment

These Terms may not be transferred or assigned by you without our prior written consent, however, they may be assigned by us without restriction.

(i) Use of our brand

You may not, without our prior written permission, use our name, logos, or other trademarks in connection with products or services other than the Service, or in any other way that implies our affiliation, endorsement, or sponsorship. To seek permission, please email us at support@giselles.ai.

13. In case of disputes

(a) Equitable relief

You agree that (a) no adequate remedy exists at law if you breach Section 3 (Using the Service); (b) it would be difficult to determine the damages resulting from such breach, and any such breach would cause irreparable harm; and (c) a grant of injunctive relief provides the best remedy for any such breach. You waive any opposition to such injunctive relief, as well as any demand that we prove actual damage or post a bond or other security in connection with such injunctive relief.

(b) Governing law and exclusive jurisdiction

These Terms will be governed by, and construed and interpreted in accordance with, the laws of Japan without giving effect to conflict of law principles. The Tokyo District Court shall be the court of first instance having exclusive jurisdiction over any dispute that may arise out of or in relation to these Terms.
